

Twenty-sixth Conference of the Parties (COP26) of the United Nations Framework Convention on Climate Change (UNFCCC)
From October 31 - November 12, 2021. Scottish Event Campus (SEC), Glasgow - United Kingdom
Panama Pavilion Hall 4 - Pavilion Events Agenda
VERSION 2021-10-27

Date	Topic	THEMED AREA		
		Description / Panelist / Moderator	Responsible	Time
Week 1 (November 1to 7)				
November 1	Indigenous Peoples' Vision on Article 6	<p>This event will demonstrate the importance of including the Rights of Indigenous Peoples in Article 6.</p> <p>Panelist: Representative of Sweden, Norway, Australia, Mexico, Tuvalu, Solomon Islands, South Africa, Nepal, Bolivia, CAUCUS.</p> <p>Moderator Tomohiro Harada</p>	<p>Iniquilipi Chiari: ichiani@miambiente.gob.pa</p> <p>Rubén Ábrego: rabrego@miambiente.gob.pa</p>	10:00 a 11:15
	Sustainable Systems of National Inventories of Greenhouse Gases in Latin America and Panama (SSINGEI)	<p>This event presents the opportunity to learn about the progress of Panama and Latin America in the development of their national GHG inventory systems. It will be an exchange of experiences, focused on achievements and their vision for the coming years.</p> <p>Panelists: Representative of Chile, Costa Rica</p> <p>Moderator: Representative of the Ministry of the Environment of Panama</p>	<p>Melani Acosta: macostac@miambiente.gob.pa</p> <p>Carolina Velásquez: cvelasquez@miambiente.gob.pa</p>	15:00 - 16:00
	LTS-LEDS / Low emission strategy in Latin America and the World	<p>The inauguration of the Panama Pavilion by President Laurentino Cortizo.</p> <p>The event seeks to address the experience and challenges faced by the invited countries in the construction of their LTS-LEDS.</p>	<p>Verónica González: vgonzalez@miambiente.gob.pa</p> <p>Carolina Velásquez: cvelasquez@miambiente.gob.pa</p>	16:30 - 17:30
Events November 2				
	National Plan for Forest Restoration and National Determined Contribution	<p>In this event, Panama proposes and advances in the planning of its National Forest Restoration Program with the objective of promoting the forestry sector of Panama as part of the green economy promoted by the country.</p> <p>Panelists: Representatives of Honduras, Chile, Colombia, Guatemala and Peru.</p> <p>Moderator: Representative of the Ministry of Environment of Panama</p>	<p>Vaneska Bethancourt: vbethancourt@miambiente.gob.pa</p>	9:00 a 10:00
	The Concept "Non-Carbon Related Benefits" resolved by state institutions, NGOs and indigenous peoples of Panama and Bolivia	<p>Article 5.2 of the Paris Agreement represents a commitment not made by the Parties on the inclusion of Non-carbon Benefits in their "Nationally Determined Contributions" (NDC) strategies to share climate change.</p> <p>Panelists: Geoversity, Panama Ministry of Environment, Panama National Delegation to UNFCCC, Government of Bolivia</p> <p>Moderator: GIZ</p>	<p>Rubén Ábrego: rabrego@miambiente.gob.pa</p> <p>Claus Kjaerby: claus@geoversity.org</p>	10:30 - 11:30

November 2	<p>The power of community-accessible data as a tool to reduce climate risk</p>	<p>The experience of the Agroclimatic Technical Boards is shared as an innovative process, promoting the exchange of knowledge and experience in order to answer to climate risks.</p> <p>Panelists: Luz Graciela de Calzadilla - ETESA / Panama Rodrigo Luque - MIDA / Panama Yanet Sierra - MIDA/Panama Berta Olmedo - CCRH / CICA Moderator: Representative of the International Center of Tropical Agriculture (CIAT)</p>	<p>Rosa Montañez: montanez@naturapanama.org Vilna Cuéllar: vcuellar@naturapanama.org</p>	<p>15:00 a 16:00</p>
	<p>Nature-based solutions for urban areas. Link with Latin America (live)</p>	<p>The effects of climate change will exacerbate stress on urban and peri-urban ecosystems and the valuable services they provide and that buffer the impacts of climate change. The main objective of this event is to establish in direct that connection of international negotiations with the vision and action at the local level to build the resilience of cities in Latin America through Nature-based Solutions.</p> <p>Panelists: Minister of Environment of Panama, Representative of the GEF, Representative of EUROCLIMA, Representative of the GCF Moderator: Gustavo Mañez, UNEP</p>	<p>Gustavo Mañez: gustavo.manez@un.org</p>	<p>16:30 a 17:30</p>
	<p>Progress of Panama on the way to adaptation (Live interview transmitted via net)</p>	<p>This interview highlights the efforts being made in Panama to have a country more resilient to climate risks.</p> <p>Panelists: Representatives of MIDA, ETESA, MiAmbiente and NATURA Foundation Moderator: NATURA Foundation</p>	<p>Rosa Montañez: rmontanez@naturapanama.org Vilna Cuéllar: vcuellar@naturapanama.org</p>	<p>18:00 a 19:00</p>
Events November 3				
November 3	<p>Methodological Approaches for the Analysis of Vulnerability to Climate Change</p>	<p>In this event, it is proposed to share the strategies developed by the countries to address vulnerability and the construction of instruments such as the vulnerability index, which allows the planning of decision-making for climate change adaptation.</p> <p>Panelists: Representatives of Spain and the Dominican Republic Moderator: Representative of UNEP</p>	<p>René Lopez: rlopez@miambiente.gob.pa</p>	<p>9:00 a 10:00</p>
	<p>Resilient agriculture against climate change</p>	<p>In this event, the experience of the ECAs will be presented as a participatory methodology that promotes technological innovation and contributes to food security and the use of good sustainable agricultural practices.</p> <p>Panelists: Representatives of Costa Rica, Colombia, Chile, CIAT, CATIE, NATURA Foundation Moderator: Representative of IICA</p>	<p>Yaneth Sierra: ysierra@mida.gob.pa Rodrigo Luque: rluque@mida.gob.pa Vielka Rodríguez: vielkarodriguez@gmail.com Katherine Martínez: kmartinez@miambiente.gob.pa</p>	<p>13:30 a 14:30</p>
	<p>Management of Water Resources in Latin America for the fulfillment of the climatic commitments of the Paris Agreement.</p>	<p>Share the strategies developed by the countries in Latin America for the comprehensive management of water resources within the framework of updating Nationally Determined Contributions</p> <p>Panelists: Representatives of Chile and Mexico Moderator: Representative of the Ministry of the Environment of Panama</p>	<p>Nicole Francisco: nfrancisco@miambiente.gob.pa Enilda Medina: emedina@miambiente.gob.pa Mabel Zúñiga: mzuniga@miambiente.gob.pa Belén Guevara: bguevara@miambiente.gob.pa</p>	<p>15:00 a 16:00</p>

Transparency in the carbon market and in compliance with the NDCs.	<p>Informed dialogue about the challenges in terms of transparency extended to market-based instruments and Cooperative Approaches of Article 6 in the context of developing countries, aimed at promoting a greater commitment of the parties in the development of their instruments and regulations for compliance with the Paris Agreement ensuring collaborative work on environmental integrity and additionality.</p> <p>Panelists: Director of Climate Change of Panama, Vice Minister of Colombia, Regional Coordinator of Climate Change Gustavo Mañez Moderator: Sebastián Carranza, UNEP</p>	Gustavo Mañez: gustavo.manez@un.org	16:30 a 17:30
Working Regionally to Counteract the Effects of Climate Change in the Eastern Tropical Pacific	<p>The Marine Corridor of the Eastern Tropical Pacific (CMAR) is a regional initiative to ensure the protection of ecological connectivity processes in four countries, as a tool to reduce the impact of Climate Change.</p> <p>Panelists: Milciades Concepción, Minister of Environment-Panama Andrea Meza Murillo, Minister of the Environment of Costa Rica Carlos Eduardo Correa, Minister of the Environment of Colombia Gustavo Manrique Miranda, Minister of the Environment of Ecuador Rosa Montañez, Director of Fundación Natura Moderator: José Julio Casas</p>	José Julio Casas: jcasas@miambiente.gob.pa	18:00 a 19:00
Plastic Island Documentary	<p>Documentary about ocean pollution (Dominican Republic)</p> <p>Director: José María Cabral</p>	Lligia Reid: Ireid@dominicanembassy.org.uk	19:00 - 20:00

Events November 4

Biodiversity, Climate Change and Human Migration	<p>This event shows the relationship between climate change, the loss of biodiversity and the displacement of human populations.</p> <p>Panelists: Milciades Concepción, Minister of the Environment of Panama Rosa Montañez, Natura Foundation Eduardo LeBlanc, Office of the Ombudsman of Panama Moderator: Shirley Binder</p>	Shirley Binder: sbinder@miambiente.gob.pa	10:30 a 11:30
Experience of the participation of the Indigenous Peoples of Panama in the development of the REDD + mechanism.	<p>The event will show how Panama has advanced in the development of the REDD + mechanism with the participation of Indigenous Peoples (IP) as one of the key actors, in their successful participation process in the first phase of REDD +, lessons learned and exchange experience with countries in the region that have effectively advanced in said process with IP, in order to strengthen the process in Panama in an inclusive manner.</p> <p>Panelists: Ministry of Environment of Panama, Colombia, Ecuador and Peru. Moderator: Jakob Kronik. Jefe de Cooperación Internacional de Bosques del Mundo</p>	Rubén Ábrego: rabrego@miambiente.gob.pa Iniquilipi Chiari: ichiari@miambiente.gob.pa Vaneska Bethancourt: vbethancourt@miambiente.gob.pa	13:30 a 14:30
Contribution of indigenous peoples to the NDC.	<p>This event presents the practices of Indigenous Peoples that would potentially increase the ambition of NDCs and preliminary results of Indigenous Peoples' participation in current NDCs.</p> <p>Panelists: Representatives of Mexico, Brazil, Ecuador. Moderator: Johnson Cerda</p>	Iniquilipi Chiari: ichiari@miambiente.gob.pa Ghazali Oshorella, Johnson Cerda	15:00 a 16:30

November 4

November 5	Adaptation Monitoring and Evaluation System	<p>Presentation of results of the project "Development of a Platform for Monitoring and Evaluation of Adaptation to Climate Change in Panama", which aimed to analyze the various existing information and interact with the identified sectors, to achieve the development of a tool for monitoring and evaluation through the development of indicators.</p> <p>Panelists: Chile, Costa Rica, Panama Moderator: GIZ</p>	<p>Roberto de la Cruz: rdelacruz@miambiente.gob.pa Nicole Francisco: nfrancisco@miambiente.gob.pa Katherine Martinez: kmartinez@miambiente.gob.pa</p>	18:00 a 19:00
------------	---	---	---	---------------

Events November 5

November 5	Guidelines for forest restoration	<p>This event seeks to tell the experience and lessons learned from Panama, in the minimum guidelines required to achieve the restoration of the country's forest landscape, taking into account all its actors and the institutional role in restoration actions as a catalyst for the national forest sector.</p> <p>Panelists: Representative of the Ministry of the Environment Panama, Natura Foundation and Honduras. Moderator: Representative of the Ministry of the Environment of Panama</p>	<p>Vaneska Bethancourt: vbethancourt@miambiente.gob.pa Víctor Cadavid</p>	9:00 a 10:00
------------	-----------------------------------	--	---	--------------

November 5	Koronivia, Gender and Indigenous Peoples	<p>This event presents the best practices of Indigenous Peoples in agriculture, related to adaptation and mitigation, which should be included in the Koronivia work program.</p> <p>Panelists: Co-facilitator K WG Milagros Sandoval. Peru - Edna Kaptoyo. Kenya - Brazil. Hindou (Agriculture), Jhonson Cerda - Ecuador. Moderator: CAUCÚS</p>	<p>Iniquilipi Chiari: ichiari@miambiente.gob.pa Rubén Ábrego: rabrego@miambiente.gob.pa Ghazali Ohorella, Johnson Cerda</p>	10:30 a 11:30
------------	--	--	---	---------------

November 5	Perspectives for Adaptation to Climate Change in Latin America and the Caribbean	<p>In this event, strategies related to the management of adaptation to climate change in the countries of the region are exposed, whether it is the application of adaptation measures, evaluation of adaptation costs, national adaptation plans, cost-benefit analysis, etc. in compliance with the objectives set out in the Paris Agreement.</p> <p>Panelists: Ecuador, Colombia, Costa Rica Moderator: Representative of ECLAC</p>	<p>Belen Guevara: bguevara@miambiente.gob.pa Mabel Zúñiga: mabelcristina01@gmail.com</p>	15:00 a 16:00
------------	--	--	--	---------------

Events November 6

November 6	Monitoring System for Compliance with the Meta Bosques NDC - App	<p>The event will show how Panama has advanced in the development of a technological system for monitoring restoration actions with the different PNRF allies and exchanging experience with countries in the region that have implemented robust monitoring systems for their actions. restoration.</p> <p>Panelists: Honduras, Chile, Colombia, Guatemala and Peru Moderator: Representative of the Ministry of Environment of Panama</p>	<p>Vaneska Bethancourt: vbethancourt@miambiente.gob.pa</p>	9:00 a 10:00
------------	--	---	--	--------------

November 6	Tourism Model of Panama, benefits not related to carbon and climate adaptation	<p>Panama's tourism model focuses on empowering communities, alleviating poverty and inequality, through the development of governance models that allow the production of income for communities that generate Non-Carbon Benefits, contributing to compliance with the Agreement. of Paris, in its article 5.</p> <p>Panelists: ATP, OMT, Bolivia, Denmark Moderator: Claus Kjaerby</p>	<p>Diwigdi Valiente: dvaliente@atp.gob.pa</p>	16:30 a 17:30
------------	--	---	---	---------------

Events November 7

November 7	Strengthening Indigenous Systems of Sustainable Food Production, as Resilient Measures to Climate Change in central America"	<p>The resilient food production project presents an action in indigenous territories with great ecosystem, agricultural and cultural richness in Panama. Where their food production systems face serious threats such as: land use change, introduction of genetically modified seeds, lack of agricultural and economic sustainability, climate change and poverty.</p> <p>Panelist: Onel Masardule Moderator: Iniquilipi Chiari</p>	Iniquilipi Chiari: ichiar@miambiente.gob.pa	10:30 a 11:30
Week 2 (November 8 to 11)				
November 8	Natural Disasters, Women and Community Governance of forests	<p>Women are at the forefront of the impacts of climate change and must be at the center of efforts to reduce its effects. The Coordinator of Territorial Women Leaders of Mesoamerica wants to put this situation in context at COP 26.</p> <p>Panelists: Sara Omi - Coordinator of Women Leaders of Mesoamerica, Women Leaders of Asia, Women Leaders of Africa Women of the Amazon Moderator: Levi Sucre</p>	Iniquilipi Chiari: ichiar@miambiente.gob.pa	9:00 a 10:00
	Community of Practice for Direct Access Entities (CPDAE): access climate finance and implement adaptation and mitigation programs and projects.	<p>The experiences of countries that are part of the Community of Practice of Direct Access of the Adaptation Fund and Green Climate Fund will be shared, for exchange and cooperation, as well as for access to climate finance.</p> <p>Panelists: Direct Access Community of Practice of the Adaptation Fund and Green Climate Fund Moderator: Rosa Montañez, Natura Foundation</p>	Rosa Montañez: rmontanez@naturapanama.org Vilna Cuéllar: vcuellar@naturapanama.org	13:30 a 14:30
	Mangrove Restoration as a Strategy to Curb Climate Change and Promote the Blue Economy	<p>The economic and ecological contributions arising from the restoration processes of degraded mangrove areas will be shown; based on techniques identified at the regional level</p> <p>Panelists: Arturo Dominici, Daniel Suman, Ana Gloria Guzmán Moderator: José Julio Casas, Ministry of the Environment of Panama</p>	José Julio Casas: jcasas@miambiente.gob.pa	16:00 a 17:00
Events November 9				
November 9	Nature-based solutions and food safety: - Climate-smart livestock farming - Gender & Innovation in the rural environment (Agroforestry coffee)	<p>The presentations will present the adaptation measures implemented in the livestock and agriculture sectors with the Adaptation Fund Program.</p> <p>Panelists: Rodrigo Luque - MIDA / Panama Ima Ávila - Civil Society / Panama Carolina Reyes– Fundecooperación para el Desarrollo Sostenible / NIE Costa Rica Moderator: Representation of Natura Foundation</p>	Rosa Montañez: rmontanez@naturapanama.org Vilna Cuéllar: vcuellar@naturapanama.org	9:00 - 9:45
	"Adaptation based on Ecosystems in the Dry Corridor of Central America and the Dominican Republic. Building local and inclusive Solutions".	<p>Present the AbE intervention model in the territory of the Dry Corridor of Central America and arid zones of the Dominican Republic. Share the joint work strategy strengthening regional integration from the political and technical levels, an initiative with a strong focus on knowledge management, the promotion of good practices and actions in the territory of prioritized basins through the use of financial mechanisms to increase resilience and adaptation capacity of producers and residents in areas highly vulnerable to extreme phenomena.</p> <p>Panelists: CABEL, UNEP, SE CCAD, MINISTERS OF THE ENVIRONMENT, CAC, FAO Moderator: Representative of CABEL</p>	Otty Ramos: oramos@sica.int	15:00 a 16:00

National Platform for Climate Transparency, continental experiences	A space to address experiences in the use of technological platforms for information management as a key element in the implementation of the MRT. Challenges and opportunities.	Juan Manuel Lucero: jlucero@miambiente.gob.pa	16:30 a 17:30
	Panelists: Representatives of Costa Rica, Peru and Panama. Moderator: Juan Lucero, Ministry of the Environment of Panama		

Events November 10

Mesoamerican Territorial Fund: its contribution to the care of forests and the rights of communities	Making forest-based mitigation a reality requires climate finance options that recognize the role of indigenous and community experiences in protecting forests. Understanding how the Territorial Fund can support forest carbon programs based on these experiences is key to effective climate finance.	Iniquilipi Chiari: ichiari@miambiente.gob.pa	15:00 a 16:30
	Panelists: Jorge Mario Rodríguez, National Forest Financing Fund. Forest Carbon Partnership Facility Moderator: Natalia Díaz		

November 10

30X30 as a strategy to mitigate the impacts of Climate Change	Highlight the importance of marine protected areas, especially as a nature-based solution to mitigate climate change and ensure the livelihoods of coastal communities that depend on the oceans.	José Julio Casas: jcasas@miambiente.gob.pa Shirley Binder: sbinder@miambiente.gob.pa	18:00 a 19:00
	Panelists: Minister Milciades Concepción, Ministry of the Environment of Panama Vicent Van Quickenborne, Deputy Prime Minister of the Kingdom of Belgium Maximiliano Bello, Mission Blue Andrés Landerretche, Special Envoy of COP25 Chile Moderator: Shirley Binder		

Events November 11

Regional challenges and solutions from the agricultural sector to climate change	Strengthen the political commitment to intersectoral work and facilitate the identification of opportunities and potential for synergies to strengthen the strategy at the technical level, capacity development and resource mobilization in support of the AFOLU 2040 Initiative.	Otty Ramos: oramos@sica.int	9:00 a 10:00
	Panelists: Ministers of Environment and Agriculture Moderator: FAO Representative		

November 11

Meeting Signing of Memorandum of Understanding with Peru	Signing of Memorandum of Understanding with the National Authority of Peru Ministry of the Environment of Panama and National Water Authority	Nicole Francisco: nfrancisco@miambiente.gob.pa	15:00 a 16:00

Coastal Marine Ecosystems Workshop	Event to strengthen knowledge about wetlands and implementation methods. Open to the public.	Rosa Montañez: rmontanez@naturapanama.org Viña Cuéllar: vcuellar@naturapanama.org	16:45 a 17:30
	Moderator: Lanneth Barrera, Wetlands International Foundation
